New (first-time) members who join and pay dues at the current annual rate during the final 90 days prior to the WCAG year-end (May 31) will be credited with having paid their following year's dues (for their first full year through May of the following year).

## Listing on Website

Dues-paid members are entitled to have a link to their own personal art-related website (one per member) listed on the WCAG website ([www.wcartguild.org](http://www.wcartguild.org)).

## Meetings

Our meetings are held on the first Tuesday of every month September through June. With the exception of the December and June meetings, we meet in the Georgetown Public Library at 6:30pm, and the public is invited to attend without cost. Locations of the other two meeting are selected each year and members are notified in advance. There are no meetings in July and August.
